# EXPERIENCE HAZZARD COUNTY

Hazzard County is a six-piece, high-energy Modern Country party band known for their dynamic performances and tight musicianship. Blending today's country hits with a rock edge and their own unique twist, HazCo delivers a show that keeps crowds dancing and venues packed.

Made up of seasoned musicians and charismatic performers, the members of Hazzard County have built a reputation as one of New England's must-see live acts. Based in Connecticut, the band - composed of the original six members since inception - regularly performs across the region, lighting up stages with their powerful sound, seamless chemistry, and undeniable stage presence.
